The Greater Philadelphia Association of Energy Engineers (GPAEE) has partnered with the Association of Energy Engineers (AEE) to host **Certified Energy Manager (CEM)** training. Since its inception in 1981, the Certified Energy Manager credential has become widely accepted as a measure of professional accomplishment within the energy management field.

This training seminar offers you a great value compared to similar programs across the northeast and is the only CEM prep training scheduled in the Greater Philadelphia area in 2020.

The registration fee for the seminar includes:
- Cost of the CEM application
- Four days of instruction
- Four-hour written, open-book exam
- Textbook and workbook
- Continental breakfast and lunch each day of training
- Free parking
- Discounted hotel rooms available nearby.

PA residents may be eligible for up to 50% cash grants for reimbursement of the CEM training from the Smart Energy Initiative. Register for the training, then go to SEI Training Grant Application for more information on the reimbursement.

Limited seats are available for this training seminar so reserve your spot soon! Register at [WWW.GPAEE.ORG](http://WWW.GPAEE.ORG)

For more information about CEM Training and the complete class schedule, please contact Steve Beck at 610.816.8097 or sbeck9@msn.com
