AEE shows are held in the United States three times a year, and this year for the first time a show will be presented overseas. Each show features a conference led by the leading experts in the industry, as well as a multidimensional exposition.

European countries are facing significant carbon emission reduction targets and policy objectives from the EU for 2020 and beyond. AEE will bring together commercial, industrial, and public sectors from across Europe to this unique event.

In 2020, AEE Europe will be held at the Citywest Convention Centre in Dublin, Ireland, October 28-29.

AEE WORLD 2020 is the most important energy event of national and international scope for end users and energy professionals in all areas of the energy field.

In 2020, AEE WORLD will be held at the Colorado Convention Center in Denver, Colorado, September 23-25.

In 2020, AEE East will be held at the Duke Energy Convention Center in Cincinnati, Ohio, April 21-22.

In 2020, AEE West will be held at the Washington State Convention Center in Seattle, Washington, June 24-25.
