

ASSOCIATION OF ENERGY ENGINEERS

RESOURCES

These documents are available for your use in introducing AEE to potential members:

An Introduction to AEE – This PDF provides an overview of AEE, its members, its programs, and events. The Power Point version is available upon request. Please contact michelle@aeecenter.org and you will receive an invitation to the file stored on Dropbox.

AEE and Its Chapters – This PDF highlighting AEE’s chapters is available here. The Power Point version is available upon request. Please contact michelle@aeecenter.org and you will receive an invitation to the file stored on Dropbox.

Welcome to AEE – A PDF with more detail about AEE’s people, programs and events.

A backdrop which measures 8’x10” and has grommets allowing it to be hung is available upon request:

AEE Backdrop – If a chapter has a booth in an expo and would like to borrow an AEE backdrop (see below), a request should be made that includes the dates the backdrop is needed. It must be agreed that the backdrop will be returned in the same box and with the shipping label provided by AEE as soon as the event is over. AEE will cover the expense of shipping and insurance.
