REFERRED SPEAKERS LIST **FOR AEE CHAPTERS IN US**

A list has been prepared of individuals who have been highly rated as potential speakers for chapter meetings. These speakers have agreed to be included on this list and have indicated where they are available to speak and whether or not an honorarium or charge for expenses is required. They are shown by topic.

This list is available upon request to michelle@aeecenter.org.

If your chapter has a speaker whose presentation you think other chapters would be interested in hearing, you are invited to complete and submit a Referred Speakers Application which can be obtained by request to michelle@aeecenter.org.
