US STUDENT CHAPTERS

If there is a college or university in your Chapter's area, AEE encourages Chapters to form a Student Chapter either as a separate Chapter on campus or as a division of the local AEE Chapter. A member of the chapter who is also a member of AEE must be willing to be designated as Mentor of the Student Chapter. (Student Chapters may also be sponsored by the college or university itself or by a government agency, provided a member of AEE within that college, university, or agency formally accepts the role as Mentor of the Student Chapter.)

This Start-Up Kit contains information that will help you as you organize and operate a Student Chapter:

CHECKLIST FOR THE OPERATION OF STUDENT CHAPTERS

Once the chapter is established, the following reminders will help keep the operation running smoothly:

- Please add these individuals to your student chapter's mail list: AEE Student Chapter Administrator (connie@aeecenter.org), your Regional Vice President, your sponsoring Chapter's President and Mentor, and your Faculty Advisor.
- After the end of the academic year or calendar year (chapter must opt for their choice), a **report** will be due to AEE Headquarters. This report will require information on the previous year's programs and activities as well as anticipated events for the beginning of the upcoming year.
- Periodically check **your listing on the AEE Chapter website**. Please alert us if anything is amiss.
- The **AEE Chapter Manual** is accessible online on the Chapters Website. Please contact Connie Meadows at connie@aeecenter.org with any questions.
- Each year we hold a **Chapter Leadership Meeting** the day prior to the opening of the AEE World Energy Conference & Expo. It begins with a one-hour overlap with the AEE Executive Committee Meeting in which the Regional Vice Presidents give their reports on the Chapters in their Regions. This is followed by the business at hand (updates, etc.). Next on the agenda is a forum, with the forum panel composed of people with significant experience in leading Chapters, some of long duration, some with more recent experience in setting up a Chapter. They have valuable ideas they are happy to share. This is the ideal place to ask questions about how other Chapters have handled different situations, where they've had success and where not, or to tell of your own experiences with your Chapter. The meeting concludes after the presentations of the Chapter Recognition Awards. The Chapter Leadership Meeting is open to all AEE Chapter members.
- The annual AEE **Student Chapter Awards** will be presented to student chapters in several categories. Awards will be presented at the Students Luncheon held in conjunction with AEE World.
- Please contact Michelle Whitlock at michelle@aeecenter.org, Editor of the *AEE Energy Insight* online newsletter and the AEE Director of Digital Communications, with **pictures and information** about outstanding events your Chapter holds.
- We encourage Chapters to maintain **historical records**. We suggest keeping hard copies in a binder as well as electronic copies of these documents: Petition for Charter, Charter Certificate, Chapter Bylaws, each year's Annual Chapter Operations Report, minutes of meetings and any other historically significant documents such as each year's list of current officers. A Historian should be appointed to preserve and maintain these records, providing continuity for the chapter.
- Please remember that **good communications** between the Student Chapter, the Faculty Advisor, the Chapter Mentor, and AEE Headquarters are important to the success and sustainability of the Student Chapter.

The members of your Student Chapter should be provided with the following information:

- AEE Foundation Scholarship Program** – for details, visit <http://aeefoundation.org/scholarships/>, or call Priscila Rivere at 770-447-5083 ext 227.

- A limited number of **complimentary registrations** to the **AEE World Energy Conference & Expo** each year, are available. (Scholarship covers registration fees, but no travel or other expenses.) To receive an application and be considered, contact Priscila Rivere at priscila@aeecenter.org.
- Full-time students may register for any of AEE's three shows held each year at a special rate of \$195. Contact Connie Meadows at connie@aeecenter.org to register.
- Between college graduation and the age of 25, AEE offers a special **Young Energy Professional Member fee of \$50**.

STARTING AN AEE STUDENT CHAPTER

WHY SHOULD STUDENTS START AN OFFICIAL AEE STUDENT CHAPTER?

- Leadership growth and exposure as student leaders in AEE.
- Participation in chapter projects and activities that will help them prepare to enter the profession.
- Greater exposure to members in AEE who represent a cross section of the energy industry.
- AEE resources and marketing materials available to help increase membership in their chapter.
- Ability to network/partner with AEE Chapters at AEE conferences/tradeshows and make contacts that will help in launching careers.
- Access to education opportunities such as these:
 - ❖ AEE Foundation Scholarship Program – for details, visit <http://aeefoundation.org/scholarships/>, or contact Priscila Rivere at priscila@aeecenter.org.
 - ❖ Complimentary registrations to the AEE World Energy Conference & Expo are available. (Scholarship covers registration fees, but no travel or other expenses.) Contact Priscila Rivere at priscila@aeecenter.org.

AEE STUDENT CHAPTER CRITERIA

The following must be met in the formation of an AEE student chapter:

- Student chapters must be formed under the direction of an AEE chapter, a college or university, or a government agency, and must have a faculty advisor who is an AEE member and employee of the college or university.
- The chapter must have at least ten (10) student members. Student members must be enrolled in a post-secondary academic program as a full-time student.
- All student chapter members must join AEE. Student membership dues (\$15 annually in U.S. funds) must be sent with completed applications.
- Student chapter members must hold elections of various officers, including president, vice-president, secretary, and treasurer. (A student may serve as both secretary and treasurer.)
- Written notification of officers and completed membership forms must be sent to the AEE Student Chapter Administrator. Once all forms have been received and processed, the student chapter will then receive its charter and full recognition as an official AEE student chapter.

APPLICATION PROCEDURES

Once you have at least ten (10) official AEE student members, a local chartered chapter to serve as the student chapter sponsor and a faculty advisor, the next step is to develop your chapter bylaws.

To formally apply for your chapter, you must send the following items to the AEE Atlanta Headquarters office:

1. Cover Sheet will be first page
2. List of names and membership numbers of at least ten (10) AEE student members.
3. Letter of commitment from AEE sponsoring chapter with name of its member who will serve as Mentor to the Student Chapter, along with contact information (e-mail address, phone number, street address). The Mentor must be a member of AEE, the parent organization, as well as of the AEE sponsoring chapter. Letter should specify the period of time Mentor agrees to serve in this capacity and agree to notify the AEE Atlanta Headquarters office when succeeding Mentors are named.
4. Letter of commitment from the Chapter Mentor agreeing to serve in this capacity for a specified time period and to maintain communications with AEE Atlanta Headquarters regarding the activities of the Student Chapter. Letter should include contact information (e-mail address, phone number, street address).

5. Campus approval: Written document on letterhead from the college, university or government agency stating its agreement to sponsor the (Name) AEE Student Chapter and designating a faculty advisor to work with the chapter. This faculty advisor must be an AEE member* and an employee of the college or university.
6. Letter of commitment from the designated faculty advisor including his/her contact information (e-mail address, phone number, street address).

11. Completed Student Chapter Bylaws.

You will receive confirmation of your new AEE student chapter when your application has been received and approved.

Good communications between the student chapter, the Faculty Advisor, the Chapter Mentor, and the AEE Student Chapter Administrator are important to the success and sustainability of the Student Chapter.

FACULTY ADVISOR'S RESPONSIBILITIES

1. Assist the student chapter, if necessary, with initial startup. This may include guiding the bylaws process and assisting with initial meetings to ensure appropriate format.
2. Guide the student chapter in developing professional businesslike procedures and meeting content as needed.
3. Keep on file a list of all accepted members.
4. Provide a central file for official materials.
5. Provide a location for student members to receive mail, reports, and information sent from the AEE Atlanta Headquarters office.
6. Attend as many student chapter meetings as possible.
7. Notify the sponsor chapter and the AEE Student Chapter Administrator office of important events within the student chapter, as well as concerns, problems, and changes that affect the student chapter's performance.

STUDENT CHAPTER GUIDELINES

Starting an AEE student chapter is easy, but building an efficient and vibrant student chapter that will meet the needs of the student members, as well as the community on a sustaining basis, is more challenging. This section provides guidelines that will assist AEE student chapters in maintaining efficiency in chapter meetings, setting chapter goals, and developing university/community awareness.

RESOURCES AVAILABLE TO AEE STUDENT CHAPTERS

- Recruiting materials: Membership applications, brochures, catalogs, and other necessary membership information.
- Student chapter rosters. Lists of your current student chapter members, including addresses, phone numbers and e-mail contact information. This roster should be available upon request to affiliated chapters.
- Access to the sponsor chapter's website events and e-mail communications. The sponsor chapter is encouraged to invite student chapter members to their meetings and events.

SETTING GOALS

In order to be successful, it is necessary for every AEE student chapter to set goals. When setting a goal, the student chapter must assess itself, decide where it needs to be, and then create a plan of action. It is important that all student members participate when setting student chapter goals.

When creating student chapter goals, all objectives must be:

- Realistic
- As specific as possible
- Attainable
- Measurable
- On a timetable

Once the student chapter has defined short or long-term goals the next step is to decide how those goals will be reached. Here are some guidelines on how to achieve student chapter goals:

- Identify skills, knowledge, or resources needed to reach goals.
- Identify various people or groups that can help attain goals.
- Develop a plan of action, one of the most important steps.
- Include a realistic completion date.
- Remember that achieving student chapter goals requires teamwork.

COMMUNITY AWARENESS

One of the most significant goals of every student chapter should be to develop community awareness. Becoming involved in the local community can be extremely rewarding for a student chapter. Student chapters that participate in social service programs will not only have a meaningful experience, but they will also be recognized on AEE's Website (www.aeecenter.org) and in other publications.

Here are just a few of the ways that each student chapter can lend a helping hand:

- Organize charity drives and benefits.
- Volunteer at local shelters.
- Participate in Habitat for Humanity.
- Provide free energy audits and weatherization projects for low-income housing.
- Donate blood.
- Collect clothes for the Salvation Army.
- Donate food.
- Volunteer to read at the local library.
- Participate in marathons or fun runs for charitable causes.

STUDENT CHAPTER PROGRAM IDEAS

Here are some ideas for fun, creative, and educational student chapter programs:

- Hold a "Meet the AEE Student Chapter" Open House to give student chapter members an opportunity to meet and talk with nonmembers about the benefits of AEE membership.
- Hold a "Meet the AEE Students" night. Recruit different companies to set up tables to distribute career advice and discuss job opportunities.
- Promote higher education opportunities to high school seniors.
- Provide a seminar on the different career paths for engineering majors. Host a panel of local industry speakers and allow students to ask questions.
- Create an AEE Student Chapter Resource Guide to help identify sources of industry information, such as websites, trade publications, and local associations or corporations.
- Hold an Advisors Appreciation Day.

- Develop a Speaker Network.
- Hold lectures or awareness events promoting energy issues on campus.

STEPS FOR A SUCCESSFUL FIRST MEETING

Pre-Meeting

- Determine an informative topic for the first student chapter meeting. You may want to get a respected speaker to attract greater interest.
- Decide on the type of atmosphere for the meeting, whether it's a breakfast, luncheon, or social gathering.
- Choose a date and time that will be easy for students to attend.
- Prepare a list of all prospective members on campus and inform them of the date/time/location and topic of the meeting.
- Market your meeting through all possible venues, such as social media, campus publications, campus radio and TV, and announcements in engineering classes.

Meeting

- Ensure that your speakers' audiovisual needs are met.
- Provide session handouts.
- Prepare a session evaluation.
- Provide an icebreaker activity for social interaction.
- Suggest that your presenter offer opportunities for interaction with audience, and not just open questions at end of meeting.
- Set up registration table. Have Board members available to meet new attendees.
- Collect e-mail addresses wherever possible for follow-up activities, and call for volunteers.

Post Meeting

- Send thank you letters to attendees, along with notification of the next event.
- Send thank you letters to speakers.
- Hold post-meeting evaluation.
- Compile the results of post-meeting evaluation and share with speakers and Board members.
- Make every effort to address any problems. If you make an improvement, tell members that you have heard and acted on their concerns!

STEPS FOR A SUCCESSFUL FIRST BOARD MEETING

Pre-Meeting

- Create meeting agenda and distribute to Board members in advance.

Meeting and Order of Business

Maintaining order in a Board meeting is extremely important. Without it, the meeting will be in disorganized, nothing will be accomplished, and it could last for hours. For a Board meeting to run efficiently, it must follow a constant set of guidelines. Here is an example of an "Order of Business" to keep the student chapter meeting running smoothly:

1. Roll call
2. Reading of the minutes from the previous meeting
3. Reports of Officers
4. Reports of Committees
5. Unfinished Business
6. New Business
7. Election of Officers
8. Installation of New Officers
9. Adjournment

Additional points to consider:

- Make sure the meeting starts and ends on time.
- Provide an open discussion.
- Summarize action plans.
- Wrap up the meeting with information about upcoming meetings and events.
- Set a date and time for the next meeting.

Post-Meeting

- Distribute the meeting's notes or minutes on a timely basis.
- Follow through with all action points mentioned in the meeting.

PROMOTING YOUR STUDENT CHAPTER

Here are some ideas to promote your student chapter throughout campus and build your membership numbers:

- Post announcements of meetings and events on social media. Include a striking phrase to catch students' attention. Keep it short and to the point, but include contact information such as an e-mail address or phone number
- Write an article for your campus website. Briefly explain your student chapter and the benefits of becoming an AEE student member. Include student chapter activities and a calendar of events in your article.
- Hand out student chapter flyers throughout campus, primarily in engineering and science related areas.
- Ask professors to make announcements in class.
- Create a bulletin board display in a prominent place and develop an AEE student chapter Website showing pictures from student chapter activities, membership information, and a calendar of upcoming events.
- Set up tables displaying AEE materials at freshman orientation and at student activities fair.
- Prepare a two-minute talk on the value of joining AEE. Give a presentation to energy related classes, and then hand out membership applications and information.
