

CWEEL

Council on **Women in Energy** & Environmental Leadership

The Council on Women in Energy & Environmental Leadership (CWEEL) is a division of the Association of Energy Engineers® (AEE). It's mission is to support career development for professional women, mentoring, networking, and scholarships for aspiring women to pursue technical education and careers in the energy and environmental fields.

cweel.org

Encourages

- » Women to enter and remain in energy, environmental, and technical fields.
- » Women to overcome the challenges of working in a predominantly male workforce, evoking change, improving work/life balance conditions, and increasing diversity in the workplace.

Secures

- » A future in energy and environmental-related technical fields for women by supporting the training, education, and mentoring of young girls and women.

Contributes

- » To the advancement of women in leadership positions throughout the industry.

Supports

- » The development of a more prominent voice for women in the industry.

Promotes

- » Membership of women, men, and corporations to support CWEEL's programs and goals.

A Clear Purpose

For over 14-years CWEEL has been committed to advancing gender equality in a historically male-dominated industry. Its members gain valuable access to a network of professional peers and mentors, career advancement opportunities, and leading-edge technical training. With its support of CWEEL and its women members, AEE supports a greater diversity of experience, talent, and ideas across our industry.

Corporate Sponsors

Is your company focused on promoting diversity and inclusion? Consider joining CWEEL and sponsoring a CWEEL event. CWEEL hosts breakfast meetings, training, and networking sessions at all major AEE conferences and expos.

Network & Grow

Members of CWEEL meet formally three times a year at each of the major AEE tradeshows and expositions. Presentations are made at the CWEEL Breakfasts by prominent industry professionals. At AEE World, CWEEL hosts a networking reception & scholarship fundraiser. In 2018, CWEEL added local and regional networking events which continue to grow across the USA and globally. These social events provide opportunities to network with your peers, make new contacts, and strengthen existing relationships.
