# Join Today

## Stay Informed of Industry Developments

- » Watch short, technical webinars presented by power players in the energy industry each month.
- » Download technical presentations and recorded sessions from AEE conferences, incl. keynote speeches from leaders in the energy field.
- » Access AEE journals, 16 issues per year<sup>3</sup>, containing research and technical articles not published elsewhere.
- » Get industry news delivered directly to your inbox by subscribing to our membership, certification, and divisional e-newsletters.
- » Register for free subscriptions to industry magazines offered by our media sponsors.

## Networking Opportunities

- » Connect with a network of energy efficiency professionals through your local AEE chapter.
- » Gain access to AEE's LinkedIn closed discussion groups for certified professionals to discuss issues facing the industry.
- » Join your peers at special networking and social events during AEE's annual conferences and expos.

## Professional Career Development

- » Present a technical paper or success story at AEE industry conferences.
- » Access AEE's career hub for free - search jobs and post resumes.
- » Access AEE's professional development & education hub (available summer 2022).

## Propel the Industry Forward

- » Spotlight success stories in energy efficiency or sustainable development by nominating your colleagues, companies, or projects for an annual AEE recognition award.
- » Nominate undergraduates or graduates for an AEE Foundation scholarship.
- » Support AEE's mission by participating in the annual "state-of-the-industry" jobs report and survey.
