

THE EEP BODY OF KNOWLEDGE

The EEP Certification Exam is a two-hour open book exam. The examination questions are based on the Body of Knowledge listed below. Because of the diversity of background and energy of an Energy Efficiency Practitioner, the examination has 12 different subject sections, all of which are included in the exam. You must bring a hand calculator to the exam as the EEP exam does not allow computers, tablets, or cell phones to be used during the test.

The EEP Examination contains the following mandatory subjects:

Body of Knowledge	Percent of Exam
Introduction to Energy Production, Transmission and Distribution	8 – 12%
Building Utilities & Energy Bills	8 – 12%
