

# Silver Member Benefits

For companies with less than 10 employees.

Empower your employees and gain additional exposure while distinguishing your company as a leader in energy efficiency and environmental management.

## An AEE Silver Corporate Membership offers cost savings and exclusive benefits:

- 3 complimentary delegates (total value of \$585)
- 1 complimentary Young Energy Professional delegate (for employees under the age of 30)
- Discounted rates for additional delegates (\$160 each)
- 1 complimentary AEE conference pass per event which can be used by any employee (approx. 2-3 events per year, total value of \$1,400-\$2,100)
- Discounted member training rate for all employees, even if they are not an AEE member, applicable for U.S. trainings only (savings of up to \$250 per course)
- Company logo featured on the AEE website, event recognition wall at all events, and in AEE's weekly newsletter.
- Special consideration for speaking opportunities at AEE member webinars and events.
