

The background of the entire page is a photograph of a city skyline, likely Bellevue, WA, with a large body of water in the foreground and snow-capped mountains in the distance. The image has a warm, orange-tinted color palette. A white rounded rectangle is positioned in the upper left, containing the event logo. The bottom right corner features a white curved graphic element that frames the text.

CWEEL Breakfast Keynote

Attendee Satisfaction

What attendees said about the Conference

I liked the variety of opinions and expertise shared, all with the same common underlying theme--this is all important work and we need to accelerate what we're doing to decarbonize our current buildings and infrastructure to reduce our impact on climate change."

"Want to geek out on energy and have a great time? AEE West achieved both these, in a very well organized conference. "

"AEE Conferences are a must attend for Energy Professionals. The topics of discussions and networking opportunities are very valuable for the organizations that we represent and for our own personal development."

"I am a big fan of the technical sessions. Particular those related to my field (energy management in building services; clean buildings, etc.). I can always learn something new from listening in on these."

"Engaging presentations, sessions and opportunities to network."

89% of attendees rated the conference program as **good, very good or excellent.**

67% **were inspired** to make changes at work for their company, client or career.

76% **learned new skills, and gained knowledge** about products, technologies, or services that they can apply to their career, work, or project.

Technology Expo

73% of attendees rated the Expo as **good, very good or excellent.**

What attendees said about the Expo

"I liked seeing the new cutting-edge technology that is offered each year in the marketplace."

"The expo and networking opportunities were great."

"I liked the the variety of new sessions and technology in the expo floor".

"It was great to see new products and learn about opportunities to apply them as a line of business."

Exhibitor Satisfaction

83% of exhibitors are **satisfied** with the Expo

What Exhibitors thought

"Attending AEE West was a game-changer for our company. The event provided an incredible platform to showcase our latest energy solutions and network with industry leaders. The caliber of attendees and the depth of discussions were exceptional, leading to invaluable connections and potential collaborations. Exhibiting at AEE West has undoubtedly enhanced our visibility in the industry and we look forward to participating again next year."

"Good foot traffic to booth and connections."

"Good networking and conversations with attendees."
