Attendee Satisfaction

What attendees said about the Conference

"Attending AEE World has been a life experience for me. I went with high expectations, based on the testimonials of people who had experienced it before. But the place, the atmosphere, and THE PEOPLE made it a truly unique event."

"As a first time attendee I was very impressed with the quality of presentations and expertise of the presenters. AEE captures the pulse of challenges and potential solutions of the energy sector."

"AEE World is unquestionably the best event globally to interact with international energy experts, stay updated on latest trend & technologies, and be motivated to double-down on your ongoing effort to leave the globe a better place."

"AEE World was both informative and inspiring! To be surrounded by so many other energy engineering professionals who care about this industry is invigorating! From seeing new technologies to learning about new strategies for energy management, I am taking something back to my company that pays exponentially in comparison to the price of the conference!"

"AEE World is a great event. If you care about energy, sustainability and climate change, this is a not to miss event."

96% of attendees rated the conference program as **good, very good or excellent.**

90% **were inspired** to make changes at work for their company, client or career.

95% **learned new skills, and gained knowledge** about products, technologies, or services that they can apply to their career, work, or project.

Technology Expo

94% of attendees rated the Expo
as **good, very good or excellent.**

What attendees said about the Expo

"I found AEE World to be valuable to network with leaders in the field and learn so much about the latest news, methods, and technology."

"The technology and innovation you see around the expo is fantastic. We are seeing stuff I have never seen before ever! Being able to see technology that is literally just starting out in the industry and looking at applying that back on project when you go back home is exciting."

"AEE World is a march forward with tech innovation!"

"The technology expo was very helpful to learn more about energy savings opportunities."

"I liked the quantity and variety of vendors."
